Revenue and Opex are booked amounts excluding opening/year-close families. Opex includes salary expense and petty-cash expense once, including depreciation and cost of sales; excludes finance costs and income tax. Stock, advances and salary/payable settlements are not expensed again. Capex is booked PPE/CWIP additions net purchase reversals, excluding internal capitalisation and disposals; not a cash-spend measure. Collections are net customer receipts (including tax/advances and recorded other-payment clearing), excluding bank settlements, funding and internal transfers. Patient counts are active customer sales-receipt entries as of Through; not unique patients. Cash Balance is cash plus banks, excludes unbanked UPI/card clearing; foreign cash uses recorded INR carrying amounts. The columns are not a cash-flow bridge. Zero activity does not certify complete books. Sales Units total in this range: 3.
